ACADEMIC EXCELLENCE

uwo.sh/majors

What’s better than having one of the largest number of programs in Wisconsin? Having dedicated world-class professors (*instead of teaching assistants*) who are fully invested in your success. Combine majors, minors and certificates to build a degree that speaks to your goals.

Undecided? You’re not alone. Nearly one-third of incoming students haven’t chosen a major. We will help you chart your path by connecting you with academic and career advisors who have your goals at heart.

Welcome to

OSHKOSH

THERE'S SOMETHING ABOUT OSHKOSH THAT MAKES IT MORE THAN A LITTLE SPECIAL.

What you choose to study is just as important as **where** you choose to study. UW Oshkosh is nestled in the heart of Oshkosh, Wisconsin, with campus access to launch a kayak on the Fox River and a short walk to our beautiful downtown. The city is an extension of campus, where students enjoy concerts, coffee shops, a sports arena where the Wisconsin Herd plays (the Milwaukee Bucks G-league team), parks, trailheads and more.

Located in the Fox Valley region of Wisconsin, a major hub for industry including healthcare, financial services, manufacturing and technology, Oshkosh provides a close-knit community with **big opportunities**.

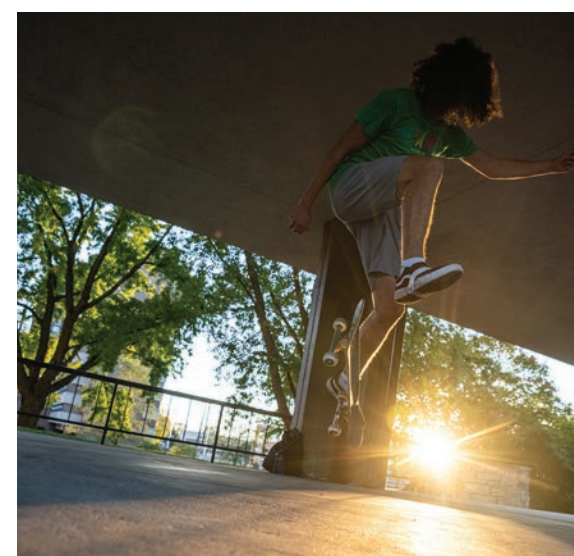

COMMUNITY

We believe in the power of community and the importance of belonging. Whether your interests land you on one of our intramural sports teams, on the stage or in leadership of a student organization, you'll have ample opportunity to get involved.

So much happens outside the four walls of your classrooms, and getting involved in clubs, organizations and sports enhances your college experience! UW Oshkosh provides a safe space to challenge yourself, explore your interests and meet lifelong friends.
